**Address:** Industrial Cluster, Mai Ha Commune, Phu Tho province, Vietnam

**Year of Establishment:** 2014

**Director:** Mr. Nguyen Cong Khai

**Main products:** Panels, Desktop, Cutting boards, Flooring, Decking, Road mats (rig mats, crane mats), Truck flooring etc. from bamboo.

## CAPACITY

**Chartered Capital:** \$10 mn

**Invested Capex:** \$17 mn

**Capacity designed:** 32,000 cbm/year (bamboo panels)

**Warehouse:** 40,000 m<sup>2</sup>

**Owned land for growing bamboo:** 500 ha

**Total available bamboo resource:** 150,000 ha

**Number of workers:** 200

**Export markets:** Europe, US, Canada, Japan, Korea etc.

## LEADERSHIP TEAM

### Nguyen Tri Thien - Chairman of BOD

- ▶ B.E at California State University of Long Beach
- ▶ Experiences: 15 years manager in Toyota Nexus (California, US), 12 years in industrial bamboo production.

### Nguyen Trong Nghia - Member of BOD

- ▶ Ph.D. at the University of Wales, Bangor, Post-Doctoral at The Manchester Business School.
- ▶ Experiences: 10 years working in financial market, 12 years working in industrial bamboo production.

### Mr. Nguyen Cong Khai- Member of BOD, CEO

- ▶ BSC at Hanoi University of Mining and Geology-
- ▶ Experiences: 5 years as Manager in Mining company, 11 years in industrial bamboo production.

## ABOUT US

Dear valued customers,

BWG Mai Chau Joint Stock Company was established in 2014 through the M&A of a company with 12 year experience in industrial bamboo and wood production in Mai Chau district, Hoa Binh province. Since 2015, BWG has invested and built the largest and most modern industrial bamboo manufacturer in Vietnam (10,000 cbm/year) that meets international standards. The factory is built in an area of 6 hectares at the Chieng Chau Industrial Zone, Mai Chau District, Hoa Binh Province.

Our main products are industrial pressed bamboo products: bamboo panels, bamboo cutting board, bamboo block butcher, bamboo furniture (flooring, table, table tops), Bamboo road mat (rig mat, access mat, crane mat), Truck flooring ect. We consider product quality go with competitive price as a top priority. All products of the factory are strictly controlled to ensure high quality, meet the stringent requirements of International corporations such as IKEA, Crocodile Products, TOKAI, Daiwoo, LOWES, METRO etc. Our bamboo products have been exported worldwide to US, Europe, Canada, Japan, Korea etc.

BWG factory is the located in the center of bamboo material area, right in the border of Thanh Hoa province and Mai Chau province - the two largest bamboo resources in Vietnam. Our bamboo sources have been certified FSC since May 2019.

As a leading company in industrial bamboo industry in Vietnam, we commit to produce the highest quality products with competitive price.

We are looking for long-term partners and customers in order to produce more and more bamboo products that are not only beautiful, convenient but also environmentally friendly, helping to protect the ecological environment and improve the lives of the poor ethnic minorities in the mountainous areas of Vietnam. We look forward to working with you soon!

Your Sincerely,  
Nguyen Tri Thien, Chairman.

# VISION - MISSION - CORE VALUES

## VISION

To become the most competitive and modern industrial bamboo factory producing high quality innovative eco-friendly bamboo products.

## MISSION

Our mission is "To enhance the health of human and the Earth" through the development of environmentally friendly bamboo products and bamboo forest in the Northwest of Vietnam. The development of bamboo production and consumption will help eradicating hunger and reducing poverty for the people in the Northwest - The poorest region of Vietnam.

## CORE VALUES

**WHOLE HEART:** We always take great care, spend our "whole heart" of everything we do, no matter how small, with our customer in mind and exceeding their needs and expectations. BWG adopts a customer centered approach and considers customer satisfaction as the measure of success.

**CREDIBILITY:** BWG places utmost importance on building its Credibility. We believe Credibility is a competitive advantage and we always completely fulfill commitments with partners and customers, particularly on those related to product quality and production schedule.

**CREATIVITY:** BWG promotes innovation, considers Creativity as a vital factor that determines the existence and development of the Company. BWG promotes the spirit of creativity, daring to think, actively exploring new technologies in production and management to improve the quality of products and services.

**SPEED:** BWG consider "Speed and efficiency in every activity" is fundamental factor to grow and remain being competitive. We believe that "Glory goes to those who meets deadline". BWG understands the importance of speed whilst upholding its commitment to quality. Speed keeps BWG being pioneer in the field of industrial bamboo production.

## DEVELOPMENT RESOURCES

### PEOPLE

- ▶ Most experience management team in Vietnam in industrial bamboo production.
- ▶ Very strong R&D and designer team that can develop "never seen before bamboo products"
- ▶ Management team members have worked many years in US and UK.
- ▶ All managers are trained regularly.
- ▶ 70% of workers are local women.
- ▶ Number of workers: 200

## MACHINES

Most modern machinery and equipment in Vietnam: BWG is the only factory in Vietnam capable of producing full range of industrial bamboo products: laminated bamboo panel, hot-pressed strandwoven bamboo, and cold-pressed strandwoven bamboo.

- ▶ Machines and equipments from: Germany, Japan, Taiwan, China, Vietnam.
- ▶ Production lines are continuously upgraded and automated.
- ▶ 5 pressing machines provide the largest capacity in Vietnam: 10,000m<sup>3</sup>/year (including both laminated bamboo and strandwoven bamboo)

## WAREHOUSE

BWG owns a 9-hectare industrial cluster. The current factory is built on an area of 6ha and 03 hectares of land reserved for future expansion.

# CERTIFICATES

The factory is built and maintained with international standards:

- ▶ ISO 9001:2015
- ▶ BSCI (The Business Social Compliance Initiative - EU).
- ▶ FSC (Forest Stewardship Council)
- ▶ FDA, SGS (Food contact safety regulations in US, EU..)
- ▶ Products are tested by Global testing firm: TUV Rheinland, BUREAU VERITAS
- ▶ Glue / Adhesive imported from the best international Group: AICA, SA, Dynea

BWG awarded for significantly contributes to the development of North West mountainous area of Vietnam.

## BAMBOO FURITURE

Bamboo table tops/countertops/butcher block offer several advantages that make them an excellent choice for various applications.

- ▶ Durable, hard, and strong, ensuring a long-lasting and resilient surface.
- ▶ An environmentally friendly material due to its remarkable ability to regenerate quickly. This makes it a sustainable and "green" option.

### Strand-woven Laminated Bamboo Mat

is a super high strength engineered product created by bonding together three layers of strand-woven bamboo panel.

Comparable in strength to concrete and steel

10 times stronger than wood in tension and 3 times stronger mechanically

30 - 50% lighter than oak

Impervious to rot fungus and insects

Less than 5% moisture absorption

Produced from a bamboo - which grows 10 times faster than wood

Less prone to shrinking or warping

### Mat comparison

Eco-Friendly	✗	✗	✗	✓
Price Economy	✗	✗	✗	✓

## BAMBOO CRANE MATS

**BAMBOO MATS APPLICATIONS:**

- Civil works: road, shoreline projects
- Crane projects
- Oil and gas
- Mining sectors
- Utility power projects
- Demolition works
- Heavy transport
- Wind energy
- Construction sites
- Sea transport and dredging industry
- And more..

**SUPER STRONG, STIFF AND STABLE**

Exclusive customer: Crocodile Products.
